

ASHLEY HINELINE

Educator, South Campus

What inspired you to become an educator?

I enjoy continuing to learn and helping others grow as individuals.

What do you like most about instructing the next generation of cosmetologists?

Knowing that I can make a difference in someone's life and teaching them something they will always remember.

What is a typical day like in your position?

Working with students during consultations, giving advice, helping develop students' customer service and cosmetology skills to make them stronger stylists.

What is your fondest memory thus far as an educator?

Watching my first 1B class graduate from the program successfully.

What advice do you like to share with new students and/or those preparing to graduate?

Things may be hard or difficult for a period of time, but it's all worth it in the end. Hard work pays off.
